You have no in-house recruiting strategy	<input type="checkbox"/>
You pay too much to recruitment agencies	<input type="checkbox"/>
Your hiring managers and HR team is overwhelmed	<input type="checkbox"/>
Your business is growing rapidly	<input type="checkbox"/>
Your hiring insights are limited	<input type="checkbox"/>
Unable to establish a compelling employer brand	<input type="checkbox"/>
Struggling to keep up with salary inflation	<input type="checkbox"/>
Not finding quality candidates	<input type="checkbox"/>

Your Results

Tally up your ticks

- ✓ 0-2 No, if it ain't broke, don't fix it. Do however take the time to focus on improving on the areas your team are struggling with
- ✓ 3-5 Strongly consider it. Chances are your team is not functioning optimally and you might benefit from hearing how a talent partner can help.
- ✓ 6-8 Absolutely. Bad recruitment practices can have a negative effect on your bottom line, staff morale and productivity. Start researching some talent partners that can assist.
